### **WHAT IS 5 DAY CLUB?**

5 Day Club is a FUN filled Bible Club (like VBS) sponsored by Child Evangelism Fellowship (CEF) Columbia-Midlands Chapter. CEF will send a group of 3-5 teachers who have gone through an extensive application, interview, training, and Child Protection Policy process, including background checks.

The 5 Day Club is open to all children ages 5-12. Each club includes a Bible Lesson, Memory Verse, Missionary Story, games, songs, prizes, and more! Our materials are **not** associated with any specific doctrine or church background. Your child will have a blast as our specially trained teachers make the stories come to life!

Each day, children will have the opportunity to speak with one of our trained teachers only **if** they are interested in praying to receive Jesus as their Savior for the first time. Each child who is counseled will be given a Bible tract, a devotion book, and a Bible (if the child does not already own one). **Pictures and video will also be taken at the club for CEF promotional purposes only.** For questions about 5-Day Club, please call the CEF Office at: (803) 798-4405 or visit our Columbia-Midlands website: <http://www.cef.columbiamidlands.org>.

**I have read the terms above and agree to give my child:** \_\_\_\_\_  
**permission to attend.** (your child's name)
